NEW BEGINNINGS

VERSION 12: ISSUE 3

Dr. Bob sharing in chapel. Every morning at 8:00 a.m. the students gather in the chapel for morning devotions. Dr. Bob is sharing on missions. **Teaching the students the value of sharing the gospel and taking the Good News to the nations.**

Ten men followed the Lord in water baptism. Here are a few pictures of our Program Director, Bradley Guyn, baptizing five of them.

"They that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they run, and not be weary; and they shall walk, and not faint." Isaiah 40:31

Many times we have to wait upon the Lord and trust Him to answer our prayers. But, it is always in HIS timing. We prayed for the Lord to send us more students and He heard our prayers.

Praise God, **our dorm is full of men who are hungry for God and want to be set free from their addiction.** We rejoice over the ten men who were just baptized in water. **God is in the business of restoration, setting the captive free, healing and delivering those in bondage and addiction.** We see it every day. It is exciting to be part of what God is doing at Greater Piedmont Adult & Teen Challenge.

As a staff, we all work together for one goal.....souls. Yes, we enjoy getting our paycheck, but we could get a paycheck from anywhere. We cannot work just anywhere and have the satisfaction of seeing men's lives changed daily by the power of the gospel. We will continue to put God first and honor the call of God on our lives and on this ministry.

Thank you for your faithfulness to Greater Piedmont Adult & Teen Challenge. You are part of this team. Each time you pray, give, and recommend us, you are an active participant in the changes being made in the lives of the men in the program. To God be ALL the glory.

Blessings,

Dr. Bob

Executive Director

We would like to give a shout out for our awesome staff and volunteers at Blessingdale's Thrift Store. Our team of workers are incredible. They work diligently to keep the store running smoothly, items available for our customers, and ministering to those who come through our doors. They take their job seriously, and really do work as unto the Lord. They are all a real blessing. **Thank you team!**

Having a campus of old buildings creates a lot of needs. Our heating unit in part of the thrift store went out the last week of January. Not a very good time to lose heat. The unit is extremely old and to repair it would be several thousand dollars, with no guarantee it would be a long lasting fix. The smartest thing to do is to replace the unit.

The cost will be approximately \$11,500.00 since it requires a large unit. Our donors have been so gracious to help us meet each need that has come up, and although we wish we didn't have to keep asking for help, we have to ask for help.

If you are able to do something special for this project we would greatly appreciate it. God bless you for your generosity.

Dr. Bob, I will give toward the Thrift Store's heating unit:

_____ \$5,000.00 _____ \$2,500.00 _____ \$1,000.00
_____ \$500.00 _____ \$100.00 _____ Other

(Any funds above and beyond the \$11,300.00 that come in will be put into the general fund.)
